

DAY OF PRAYER POEM

From Psalm 5:2

Have you prayed today?

Pray today.

Do not delay to pray.

You will need the Lord one day,

So talk to Him today and pray.

Do not delay to pray.

Pray today.

The Lord will come near when we pray,

When we worship Him and pray.

Come to Him while He is near.

If we pray every day, He will listen and hear.

Pray today.

Do not delay to pray.

Have you prayed today?
