Would you like to delight or displease the Most High One, Creator of the earth and universe, Adonai, Elohim, King of kings, El Shaddai, El Gibbor, El Elyon, Yahuah, and Yahweh? In the book of Isaiah 42 we read these words on how to delight or displease the Everliving, Eternal, Everlasting One.

## **How to Delight Yahweh.**

Servant of Yahweh will cause these positive reactions from Him.

- Yahweh upholds His servant.
- Yahweh chosen His servant.
- Yahweh servant becomes a delight.
- Yahweh puts His spirit upon His servant.
- Servant of Yahweh shall teach the true way to nations.
- Servant of Yahweh shall bring forth the true way.
- Servant of Yahweh shall not grow dim or be bruised.
- Yahweh summoned His servant.
- Yahweh gasped His servant by the hand.
- Yahweh created and appointed His servant.
- Servant of Yahweh is light of nations.
- Servant of Yahweh opening eyes deprived of light.
- Servant of Yahweh rescuing prisoners from the dungeon sitting in darkness.
- Servant of Yahweh do honor to Yahweh.
- Servant of Yahweh tells of His most high esteem (glory) to the lands.

## **How to Displease Yahweh.**

Enemies of Yahweh are people who do not desire to follow His commands, laws, and statutes. They will exhibit these negative responses.

- Trust in an image.
- Worship idols and say to idols, 'You are our gods!'
- Become blind servant.
- Gives no heed to Yahweh.
- Hears nothing of Yahweh.

- Plundered and despoiled.
- Trapped in holes.
- Imprisoned in dungeon
- Did not walk in the way of Yahweh.
- Did not obey Yahweh's Teaching.

Wrath and anger of Yahweh will come upon people that continue to deny, defy, and desecrate His word and ways.

Yahweh's indignation toward disobedient servants will result in His displaying of these characteristics or actions.

- ❖ Warrior.
- ❖ Fighter.
- ❖ Whips up His rage.
- ❖ He yells.
- ❖ He roars aloud.
- ❖ He charges upon His enemies.
- ❖ Scream like a woman in labor.
- ❖ He will scorch hills and heights.
- ❖ He will cause all green to wither.
- ❖ He will cause rivers to turn into isles (desert).
- ❖ He will dry up marshes.
- ❖ He will drive back and utterly shame ones trusting in an image as an idol god.

Due to sinning of not walking in Yahweh's ways and not obeying Yahweh's Teaching, His servant becomes deaf and blind in not hearing and not seeing Yahweh.

Yahweh tells His deaf and blind servants that have disobeyed and strayed from His ways to look up and see in order to see and hear Him and learn His ways. Look up and see Him and to place their hope, trust, faith, love, and joy in the Creator of all and Provider of all.

Yahweh calls His servants who are serving idols and calling those idols, "gods":

- Blind.
- Deaf.
- Seeing many things, but gives no heed.

- Ears are open, but they hear nothing.

Serving and worshiping images as idol gods caused Yahweh's servants to see many things, which mean we today see various material items today from toaster to television. Yahweh sends His graceful warnings through earth and weather disasters to listen to Him, and learn and walk in His ways. However, because people are laden with lust of eyes causing distraction from following Yahweh they give no attentiveness. Although servants of Yahweh have ears to hear, they hear nothing meaning the lust of the eyes of worshiping an image as an idol god caused spiritual deafness to hear Yahweh's true words.

The results of people not heeding, not listening, and not doing Yahweh's words and ways, blindly and deafness serving idol gods will cause Yahweh to:

- Be against ones who have sinned.
- Pour out wrath upon them.
- Display His anger.
- Show His fury of war.

Even though they saw and felt Yahweh's anger and fury, they did not heed or gave it no thought. Because of spiritual blindness and deafness due to idol worship and uninterrupted disobedience to Him and His ways, Yahweh allowed their callous hearts to not see or hear Him.

It displeases and hurts Yahweh's heart to discipline His children because He shows abundant love, grace, and mercy to us daily, even when we do not realize it, hoping we will look up and see Him to listen and learn to walk with Him and in His ways.

Delight Yahweh or Displease Yahweh: It is a choice we all need to make, and for those who have not as of yet made a decision, need to very soon. Whether to delight Yahweh and receive His favor, grace, mercy, love, protection, guidance, provision, and salvation or a person may choose to displease Yahweh to receive His fury, wrath, and anger.
