Whitehall, Montana

Thank you LORD God Almighty for waking me up today and protecting me through the night as I was sleeping, Hallelujah!

At the breakfast in the lobby of the hotel, I was listening to people talking among each other sitting at the table next to me.

I was at another table sitting and eating alone, until I went to get a cup of hot water for my tea and came back and people were sitting there. They asked me if I were saving the seats for someone else, I told them I wasn't and I do not bite! I said to the couple, "I don't even save seats at church!" They began to laugh, but that statement open up the door of conversation. The woman named Sarah asked me what church I attended, and I told her I attend a congregation in Georgia where I was from. She revealed to me that she was an Associate Pastor for a Nazarene Church in Washington. "How long have you been an Associate Pastor?" I asked. Twelve years, she responded. Her husband with us at the table said he helps her with the ministry such as with youth programs, outings, and assisted Sarah with other ministries duties.

I asked Sarah if their church have an outreach street ministry. She said, "No, but I wished we did, we do have missionaries who go to other countries." I told her what the LORD God Almighty gave me to say to her, "There is dryness in America, a spiritual dryness of hearing the true Word of God from the Holy Bible." She shook her head yes in agreement and also her husband stated yes and that USA is going to experience a major revival. I agree that USA spiritual revival is coming so ones who are NOT hearing the truth of God's Word now, will then have the opportunity to hear and heed the Word of God from the Holy Bible during the sweeping spiritual revival.

I went on speaking to Sarah and her husband and the people sitting at the table, which I heard were from New York, got up from the table and walked out. However, there was a one from that table next to us, stayed and earnestly listened as I was speaking what the LORD God Almighty had me to say.

Then Sarah introduced me to this woman sitting at the table next to us as her mother. Sarah's husband said to her mother, "We are having church fellowship right here; we did not go to church yesterday because of driving." Sarah's mother said, "Yes, I am listening to her, and keep on talking", and I did keep on talking.

I spoke more words from the LORD God Almighty of God's judgment, and all the events happening in the world today are signs from the LORD that Jesus Christ / Yeshua Messiah are coming soon. "We are living in the days of Noah, and living in the last days", I said to Sarah. She responded, "Yes, it is scary!" I told her, "No, it is not scary for ones who are humble, obedient, and true servants of the LORD, but it is scary for ones who are not believers and unrepentant souls." I told her about the Holy Bible Scripture of looking up for our redemption is drawing nigh. She nodded her head in agreement to indicate she was familiar with that Holy Bible verse.

Luke 21:28 - And when these things begin to come to pass, then look up, and lift up your heads;
for your redemption draweth nigh. KJV

Butte, Montana

The LORD God Almighty blessed me to drive to Butte, MT and give away free Holy Bibles in a Laundromat. I spoke with Debbie the Laundromat attendant and she wanted to take one for herself as well. She also wanted some copies of the poem excerpts from the book “Journey of Poems – A Still Small Voice”, which I gave to her.

Most of the day was driving and searching for bookstore to purchase Holy Bibles and creating Gospel packets.

Gospel packet includes:

- Holy Bible
- Days of Noah Newsletter
- Excerpts of poems from book *Journey of Poems – A Still Small Voice*
- Poem titled: *Loving Yourself and Loving the Earth* (Earth Day 2010 Poem)
- Poem titled: *Cigarette Out the Window*

Sometimes the LORD God Almighty Jesus Christ / Yeshua Messiah through the Holy Spirit tells me to give away free to certain individuals a *Sacrifice of Praise* cd and/or *Journey of Poems – A Still Small Voice* book. I am learning to hear, heed, and listen to the LORD and His Holy Spirit on what to do and not to do, where to go and not to go, what to speak and not to speak for His glory, honor, and praise.
