

Evangelism Missionary Journey 2010!

Thursday, 22 July 2010

Leaving Great Falls driving to Havre and in Havre left two Holy Bible Gospel Packets in the hotel next to the casino.

Went inside Havre's library to donate my book *Journey of Poems – A Still Small Voice* and add to its collection for patrons to read it.

As the LORD God Almighty have me to stop at different locations to leave free Holy Bible Gospel Packets in towns, I gave away Holy Bible Gospel Packets, *Days of Noah* newsletters, *Sacrifice of Praise* cd and copies of new poems written in 2009 and 2010.

Left two Holy Bible Gospel Packets in Chinook, and the person working behind the counter allowed me to place them on a literature newspaper rack next to the pay telephone.

Driving on US Hwy 2 to Glasgow. Inside convenience store in Glasgow and asked person permission to leave Holy Bible Gospel Packets on or near the literature stand and he allowed me to do so. Then next to the convenience store in the same building across the way was something like a mechanical part store for tractor trailer trucks. A gentlemen sitting behind the counter, I asked him, “Do you need a free Holy Bible?” He responded, “I have a Bible.” “If I may then give you a free copy of the *Days of Noah* newsletter and some poems?” He said, “Yes.” I asked him, “May I leave the free Holy Bible for someone else who may want it?” He said, “Yes.” I left on the counter a Holy Bible Gospel Packet with extra copies of the Days of Noah newsletter and copies of new poems I recently wrote.

Met Ms. Carolyn Wells at the Glasgow Library and she agreed with me to donated book *Journey of Poems – A Still Small Voice* to Glasgow Library for patrons to read. She was extremely cordial and professional and personable when making all the administrative arrangements to add the book to the collection.

Driving to next destination, Culbertson, and the LORD God Almighty told me to stop in this town to give a specific person a free Holy Bible Gospel Packet. The LORD God Almighty shown me the place to stop and it was at a gasoline/convenience store in Culberston. I prayed to the LORD God Almighty to show me what to do and to who give the Holy Bible Gospel Packet. Walking inside the store, I walked around still waiting for the Holy Spirit to direct, guide, and lead me to the person to give the Holy Bible Gospel Packet. Then the Holy Spirit of the LORD God Almighty told me to walk up to the counter and give it to a young adult woman working and say, “I want to give you a free Holy Bible.” She looked at it surprised and responded, “I need a Holy Bible, thank you.” “You are welcome, and I give away

free Holy Bibles”, as I spoke to both women behind the counter. “If you know of anyone who needs a Holy Bible, we mail them out free, including free shipping, to anyone who wants a Holy Bible”, I told both of them. I then gave them a few of my business cards, bought a snack, and walked out the door entering the W.O.W. automobile driving to the next destination.

The LORD God Almighty will show us the way to go, what to do, words to speak, and even the thoughts in our mind as we humbly submit to His will and His way in our life.

By the Hands of the LORD God Almighty,

I am what I am, I am what God wants me to be,

I am what I am because of the Blood of Christ / Messiah has set me free.

The LORD God Almighty gave me this new poem/song while I was driving to Billings on Thursday, 22 July 2010.

God is in control

God saved my soul

God set me free

To be what He wants me to be.
