

Evangelism Missionary Journey to Florida June 16, 2011

With much prayer to the LORD God Almighty in the name of His Son and by His Holy Spirit, my husband and I gave away FREE GOSPEL PACKETS to individuals at a Medical Office in Plantation, Florida. The LORD God Almighty told me the exact number of GOSPEL PACKETS to remove from the automobile and take inside the Medical Center. When we walked inside the medical building, I again prayed to the ADONAI ELOHIM asking Him what to do, where to go and which floor to enter, and He again, without fail, told me by the Holy Spirit what floor and where to go. As we got off the elevator, I walked to the counter toward two women behind the desk, and one asked me, "Which doctor are you here to see?" I responded by saying to her, "I am here to give you a gift!" They both looked at me with a smile and I pulled out two GOSPEL PACKETS and gave one to each woman.

Next, as the LORD God Almighty by the Holy Spirit drove the Word On Wheels (W.O.W.) to the next location, the Holy Spirit directed us toward Miami, Florida. Never ever have we visited Miami, Florida, I was in prayer along the route as the Holy Spirit of ADONAI was driving us to the place where He desires for us to travel. When we entered downtown Miami, Florida, we were looking for a place to

park, I prayed to the LORD God Almighty for help to find a parking place. Just around the next corner, YAHWEH blessed me to find a parking lot to pay for our parking. We parked and started walking down the street the LORD God Almighty directed me to go. We stopped at El Cartel (<http://www.restaurant.com/rdc/el-cartel-colombian-restaurant-lounge-miami-latinsouth-american-rid=409586>) for a break and my husband ordered a Americano Coffee with milk and I ordered hot tea. My husband loved coffee so much that placed his nose into the cup to show me a mid-morning joke (see photo). The Holy Spirit told me to give a FREE GOSPEL PACKET to one of the restaurant's staff and I did and we departed walking on the sidewalk.

After our short break at El Cartel, we continued our walking downtown Miami, Florida and saw people standing and sitting waiting for a bus. I walked up to the women sitting and told her I would like to give to her a FREE GOSPEL PACKET, and she responded in surprised and gladly took it. Next person, who I walked toward, quizzed me on what were the contents inside the FREE GOSPEL PACKETS. So I opened it up to show and tell her what was inside and told her it was FREE! As the bus drove up, she agreed to

take the FREE GOSPEL PACKET. What I learned from her was that many people have been hurt and taken advantage of from false Bible teacher and those hurt people have suspicion of anyone who comes to him or her in the name of the LORD God Almighty.

Next, my husband and I walked and passed a beautiful mural on the side of a building, which my husband took a picture (see on this page). Around the corner of the mural, was a bus stop of people standing waiting for a bus. Thank you LORD God Almighty for showing me the way to reach and give away FREE GOSPEL PACKETS! ADONAI answered my prayers as to show me a bus stop. As the Holy Spirit of the KING of kings and LORD of lords guided my steps, mouth to speak, and actions to perform He sent me to ones at the bus stop to ask if he or she would like a FREE GOSPEL PACKET. Only two individuals told me they did not want one, but most of the people standing and sitting at the bus stop accepted the FREE GOSPEL PACKETS. I told one lady she did not have to join a church to receive the FREE GOSPEL PACKETS, and another lady asked me, "How much does it cost?" I told her, "It is FREE!"

As we emptied the bag of FREE GOSPEL PACKETS, we started walking back to the W.O.W. to leave Miami, Florida and drive back to Plantation, Florida.

As we entered Plantation, Florida, we stopped for lunch at Panera Bread. (The Holy Spirit told me to take one of the FREE GOSPEL PACKETS out of the automobile and place in my purse (I did not know why at the time). Of course you know the line at any eating establishment during lunch time is going to be long, just as it was here at Panera Bread. While standing in line to order lunch, the Holy Spirit had me to look at two women sitting outside on the patio, and one was talking and gesturing as if she was extremely upset. The discernment of the LORD God Almighty gave me insight just by looking at this particular woman to surmise that she is and was going through a crisis in her life just by viewing her body gestures and facial expressions.

I told my husband what ADONAI ELOHIM has shown me about this woman, and that He wanted me to give away to her a FREE GOSPEL PACKET. I walked outside to the patio, and walked up to her and her friend, and introduced myself. Then I said to her, "I want to give you a gift," and explain to her what was inside and opened the devotional

booklet to tell her it is an encouraging booklet filled with Holy Bible verses. She was very happy to accept the FREE GOSPEL PACKET, and I said, "GOD Bless you," and I walked back inside and resume standing in line with my husband.

After lunch, my husband and I drove to a hospital in Plantation, Florida. As ADONAI ELOHIM instructed me to park the automobile, we parked and walked toward the hospital's entrance. The security guard asked us, "How may I help you today?" I asked her if I may leave FREE GOSPEL PACKETS here in the hospital. She responded, "You may leave them in the waiting area, but cannot go to peoples room to give to them". "That is what I desire to do! Thank you," I told her. I asked her, "Would you like one?" "Yes", then she said, "You also may leave some at the Outpatient section of the hospital". I was extremely joyous the LORD God Almighty blessed us to leave FREE GOSPEL PACKETS at the two waiting areas of the hospital.

We have given away all our FREE GOSPEL PACKETS to the people YAHWEH has shown us and to the location He has directed us. GLORY to the MOST HIGH ONE and He deserve all the Praise and Worship!!!
