Dear Brothers and Sisters in Christ / Messiah:

In 2008, when I returned to Georgia from New York the Holy Spirit of the L-RD\* Adonai told me in my spirit to go evangelize the Word of G-d\* to Montana. As I spoke with the L-rd inside myself in my mind with my Most Excellent and Best Friend I asked Him, "How and why am I going to Montana?" "I do not know anyone there, I do not have friends or family in Montana", I said to the L-rd. So for the past two years, I have been going through pit, valley, and wilderness situations and experiences with the thought of going to Montana always in the back of my mind. As I prayed and fasted to the L-rd about how I was going to receive funds and resources for the evangelism trip to Montana, I knew if G-d wanted me to go He would supply all. On May 10th the last day of my 40 day fasting (vegan Daniel-style fasting), yesterday I received a call that confirmed the evangelism trip to Montana that G-d will supply all the resources for spreading His word the Holy Bible to all the nations and the world.

The L-rd G-d Almighty is going to cause and allow a humbling and horrific event in the USA and Montana is part of that event. Time is getting shorter and shorter for ones not accepting, not believing, and not receiving the LORD / Adonai Saviour, Master, and King! As El Shaddai, ELOHIM, Adonai sends me as His clay vessel servant to Montana and abroad, I know He will not only supply my needs, but He will give me the desires of my heart when I humbly obey and diligently seek Him with all my heart, mind, soul, and strength. G-d's word is true, nothing is too hard for Him. Hallelujah!
