

God and the White Van

Friday, March 30, 2012

The LORD sent me to a Walmart for an errand, but God canceled the errand, also. Nevertheless, that was the way the LORD positioned me at His place in time for His purpose. While driving out of the Walmart parking lot, I saw a white van that had stopped at the entrance to the Walmart parking lot. Since the emergency flashing lights were not going on the vehicle, at first I thought the person was stopping temporarily. However, the vehicle remained there more minutes than for a normal temporary stop. As I approached closer to the van, I saw a woman on her cell phone. Therefore, I said in my mind, "Well, she will call someone to help with her vehicle." Then I turned and drove down the road. Then the Holy Spirit told me in my spirit to turn my car around to help the woman in the white van. Well, at first hearing this in my spirit, I spoke to the LORD and said, "She may hurt me", or "I don't know her, and I am new to Jacksonville" or "I am in an unknown area of Jacksonville" or "It could be to draw innocent people to help, but in reality trap of deception to hurt me." I had all the seemingly good reasons not to turn my vehicle around to help the woman in the white van, but the Holy Spirit told me a second time again to turn my car around. The Holy Spirit of the LORD GOD YAHWEH ALMIGHTY was so strong in prompting me in my heart and mind that I knew it is the LORD speaking to me for His reasons, and I obeyed the LORD. I made a U-turn at the next intersection, with continuous prayer to the LORD, and I said to the LORD, "If she is still there inside the vehicle that is a confirmation You LORD want me to stop and help her." As my car approached the white van, I pulled up behind her and stopped my vehicle, put on my emergency flasher lights, and got out of the car. With continuous Nehemiah-like prayer on my lips to the LORD (the LORD GOD YAHWEH ALMIGHTY teaches me to pray without ceasing in all situations and all locations), I walked up the white van. Walking up to the driver's side door of the white van with my mobile telephone, I waved my hand toward the rolled up window to let her know I was there to help. She rolled down the driver's side window of the van, and I asked, "Do you need any help?" The

young twenty-something-looking woman tells me, “No”, she responded, “My mother is on the way to help me.” “Okay”, I said to her. Because of her timidly reaction, I wanted to make sure she really had help on the way, the Holy Spirit told me to ask her again if she needed assistance with the broken down van. The young adult woman said, “My mother’s boyfriend is coming to help.” “Would you like for me to wait with you?” I asked her. She replied, “No” in a shy sounding voice, and shaking her head no. I asked her, “Do you know where your emergency flashing lights located in the van?” “No, I don’t know in this vehicle (where the emergency flashing lights)”, she told me. “I notice people were blowing their car horn at you while you were broken down”, I sympathized with her. We both looked around for the emergency flashing lights for the white van, and the LORD blessed me to find it on top of the steering wheel because it is an older model vehicle. I asked her, “What is your name?” “Crystal” she said. I told her my name and that our company helps people in need. With her emergency flashing lights, going on the van, people would not blow their car horn at her while she is waiting for assistance with the vehicle. I walked backed to my car and drove off down the road.

When Crystal’s white van initially broke down and was immovable, parked behind her I saw a large Hummer SUV. The person at the Hummer SUV stopped behind her and waited a few minutes, and then she blew her vehicle’s horn at Crystal. Unbeknown to the driver of the Hummer SUV, Crystal could not move her vehicle due to the engine not working properly. More vehicles stopped behind Crystal’s white van, but instead of getting out of their vehicles to investigate the problem of why the white van stopped at the entrance to the Walmart, they preferred to go in reverse and back up his or her vehicle and go around to enter another entrance.

Are we too busy to serve the LORD as His servant? Are we deeply engrossed in our daily planner, electronic devices, calendar, to do list, holidays, and/or events to love our God and love our neighbor? Are we Worldtians (World-like) individuals or we Christians (Christ-like) individuals?

From article on Christians Too Busy for GOD:

“The busy life was found to be a distraction from God among Christians worldwide.”

Some people have been “broken down” due to situations and unplanned issues in his or her life. Some individuals do not clearly see the why or how of the many mistakes, vicissitudes, or status of a person and some may not care to know due to the lack of love in their heart. Nevertheless, the LORD GOD YAHWEH ALMIGHTY is the equalizer and sustainer of all His humble, obedient, born-again servants.

What I learned from the LORD in this teachable moment in my life is:

- The LORD is in total control of all issues, situations, errands, detours, and even U-turns.
- U-turns are directed by the LORD for teaching us His grace and mercy and love for us and other people.
- Always obey the prompting of the Holy Spirit in your spirit.
- Make sure the promptings are from the Holy Spirit by praying to the LORD for a confirmation.
- Always have prayer in your heart and on your lips, even in the quietness of your mind.
- We can make up all types of excuses not to help people, but with the right Godly motivation, the LORD goes with us as we obey Him and the Holy Spirit.
- When we know the Holy Spirit is guiding us to perform an action or speak a word, the LORD will protect us in that God-directed assignment and task.

When the LORD GOD YAHWEH ALMIGHTY blessed me to arrive home safely, the Holy Spirit told me in the spirit to look up the meaning of “Crystal” for more learning insight from the LORD.

Crystal means “a colorless transparent quartz or rock”; a 3-dimensional (when I first read these definition words, the LORD gave me this: *Holy Father, Holy Son, Holy Spirit, three in one, but yet separate for special purposes*) structure made up of atoms, molecules, or ions arranged in basic units that are repeated throughout the structure”; a clear, high-quality glass.” *Colorless* means “No color, clear”. From this the LORD was showing me He is not respecter of person through the white van experience, and that He desires for His children to show no respecter of person and love as Christ Yeshua / Jesus love us. GOD’S commandments are clear, with clear promises of GOD, clear GOD of His plans and purposes to all who desires to know and trust Him. *Transparent* means being “Capable of transmitting light so that objects and images beyond can be clearly perceived.” *Rock* means “One who is firm or dependable.” *Clear* means “Free from impediment, restriction, or hindrance” “Capable of discerning easily” “Free from confusion or doubt” “Free from impurities; transparent” “Free from guilt; innocent” “Free from burden or obligation” “To rid of impurities or blemishes” “To become free from blame or guilt.”

The Rock and Light will free us from impediment or restricting (sins) hindrances (physical and emotional) so we may be able to discern more easily, what the LORD desires for our Spiritual walk. The Rock and Light will help us out and away from the “darkness” of confusion, doubt, blame, guilt, undue burdens, impurities, and unnecessary obligations so we will have a clear walk with the LORD, to see Him, to know His ways, and to love Him. The Rock and Light, who is firm and dependable, will transmit His Light in us as we seek, serve, and obey His commandments. His Light will cause us born-again by the Blood of the Lamb doers of the Word of God toward objects and images beyond so we can be clearly perceive them. As the LORD GOD YAHWEH ALMIGHTY directed me by His Hand to the Walmart, and then He canceled the errand, He did all to place me in

His right moment and time, in His purpose and plan to help the young woman in the white van. The LORD was teaching me a Holy Bible pearl of wisdom lesson about myself as a living sacrifice, His Word, His Holy Spirit, and Himself. We can see the objects and images beyond only if we have inside us the Light of God, the Holy Spirit of God, and a hunger and thirst for the righteousness of God. The clear Light of the Rock transmits His Light through us by our humble heart and obedient actions, words, and thoughts that come as we sincerely seek to follow His commands and love LORD GOD YAHWEH ALMIGHTY. As the Rock Light transmit His Light in us as we are transparent through the Holy Spirit. The objects and images beyond to be clearly perceived are in His Holy Word the Holy Bible through His Holy Spirit, His saving grace, His love, His mercy, His compassion, His forgiveness of all our sins, His Son Yeshua / Jesus the Messiah, and our purpose living upon the earth.
