Does a righteous person ever get outside the righteousness of God? Yes.

When a righteous person turn away from his righteousness, and practices iniquity (wickedness or sinfulness), he will die.

A righteous person acts will not be remembered when he practices acts of wickedness and sinfulness.

The watchman is held responsible for the blood of the righteous turned unrighteous, by warning him of danger.

A righteous person can get out of the righteous will of God.

Righteous person out of the will of righteousness of God:

- a. Practices iniquity
- b. Practices wickedness
- c. Practices sinfulness

When righteous person is out of the righteous will of God, the LORD will place a stumbling block in front of him.

The LORD God Almighty's stumbling block is placed in front of the unrighteous person practicing iniquity to cause him to stop sinning against the LORD.

The LORD God Almighty's stumbling block is placed in front of the unrighteous person for the watchman to warn him of death.

Urging people to turn back to God and stop sinning is the watchman's responsibility of warning the unrighteous so they would live and their blood will not be on the hands of the watchman.

Listening and heeding the warning of the Godly directed watchman would cause an unrighteous person to turn away from iniquity and turn back toward God, and practice Godly lifesaving righteous actions, as he or she becomes a doer of the Word of God.

Definition of "Stumbling block" – *An impediment: obstacle.*

Definition of "Impediment" – *One that stands in the way: obstruction.*

Definition of "Impede" – *To obstruct or slow down the progress of.*

The LORD God Almighty will place a stumbling block in the front path of the unrighteous in order to stand in the way or slow down person from going in a wrong direction.

The LORD God Almighty uses the stumbling block as a message warning for the watchman to warn the unrighteous to stop sinning and practicing iniquity.

If the unrighteous person **does not** listen to the warning from the Godly directed watchman, he will die (spiritually and physically).

If the unrighteous person **does** listen to the Godly directed watchman, he will live (spiritually and physically).

By turning away from practicing iniquity and turning back to practicing the righteousness of the LORD God Almighty, the compassionate, gracious, merciful, and loving hand of God Almighty will restore us to a relationship with Him through His Son the Messiah, Jesus / Yeshua by the Holy Spirit.
