*I will display portents in heaven and on earth,*

*The LORD God Yahweh is King of the universe.*

*Blood and fire and columns of smoke,*

*When this happens, it will not be a magic trick or joke.*

*Parties, conferences, marriages and no more earthly fun,*

*Into darkness will be turned the sun.*

*Moon into blood before the day of Yahweh dawns,*

*No more worrying about mowing our lawns.*

*When Yahweh brings the great and terrible day,*

*We will no longer have time for play.*

*Nevertheless, all who call on the name of LORD will be saved,*

*Because His commandments, laws, and statues they obeyed.*
