

Forgiveness Toward Salvation

It is the LORD'S business,

When we hold unforgiveness.

Because of this wrong heart condition,

Our blessings will not come to fruition.

A person planning to get revenge,

Will become that person's end.

Holding onto inner resentment,

Will cause feelings of discontentment.

Fear leads to anger and rage,

Which causes a spiritual disease and plague.

Many people will run in panic to and fro,

Thinking the answer is family, friends, and even "dough".

People responding to the Great Tribulation in fleshly ways,

Not knowing Yahweh, has the wicked in numbering their days.

Salvation comes to people that repent,

Humbly seeking Yahweh's forgiveness and He will relent.

The Day of the LORD is coming soon,

We do not know if that Day comes in the midnight or at noon.

However, we are to become prepared and ready,

Continuing to study, meditate, and do His Word, we are steady.

For the shout of the Yahweh's angel is near,

Then born again clay vessel servants will see in the sky the Messiah Jesus Yeshua appear.
