Holy Bible Focus: Isaiah 4:2 9 Hebrew Names Version - In that day, the LORD's branch will be beautiful and glorious, and the fruit of the land will be the beauty and glory of the survivors of Yisra'el.

*How beautiful the sun God creates,
God is love, it is sin He hates.*

*How beautiful is the sky so blue,
Sending His Son, the Messiah Yeshua / Jesus to die
for me and you.*

*How beautiful the green grass on it we walk,
Servants of the LORD are sober in their actions
and talk.*

*How beautiful is God's grace,
The LORD allows us to seek His face.*

*How beautiful is the LORD'S mercy,
Seeking His righteousness and for it we are thirsty.*

*How beautiful is God's salvation,
It comes through obedience, humble Godly relation.*

*How beautiful is God's Kingdom,
We are hungry for His true freedom.*

*How beautiful is God's love,
We seek His unconditional redemption from above.*
