Tears of today of sorrow,

Brings tears of joy tomorrow.

LORD YAHWEH preparing us for the battle to come,

Soldier of the LORD YAHWEH is standing ready for Jesus His Son.

Anguish hearts reach out crying for a reason,

Why have we so many trials come in this season.

Nothing happens without God's Hand,

He is in control of the entire plan.

Even in tests the LORD YAHWEH is there,

He sees our sorrow and He truly cares.

We must go through trials to endure,

God testing our hearts of His love to be sure.

The pains of trials are only temporary,

Because the LORD YAHWEH is our Sanctuary.
