

# EVERY THING BY ONE

---

Every leaf that drops to the ground,  
Yahweh hears, although it does not make a sound.

Every drop of rain,  
Is by Your Hand ordained.

Every wind that blows,  
As the trees swaying shows,  
That Yahweh causes the sun to shine so bright,  
The moon and stars the night sky to light.

Every breath we breathe,

When we bow on our knees,

Every step we walk,

As we speak or talk,

Yahweh is by our side,

Even when we try to hide.

All things are in His view,

Yahweh sees what is false and what is true,

Every green grass and blue sky,

Everything is in control of the One Exalted Most High.

He is King and Creator of the air, land, and sea,

Master of all, I entreat you to come to Yahweh and in Him believe.
