Written on Wednesday, April 20, 2011; 6:13 a.m.

Dear LORD God Almighty in the name of Your Son, Jesus / Yeshua by the Holy Spirit, I only want and desire to say and do as You direct and instruct me (James 1:22). I pray to the ONE TRUE MOST HIGH GOD, the KING of the universe, the CREATOR of the earth, ADONAI ELOHIM, Jehovah, El Elyon, El Shaddai, the GOD who is above all and there is no god ever going to be like You, I hope all will heed and hear this message as a cry out to unrepentant and unbelieving hearts to ask You forgiveness for his or her sins and come to accept, believe and receive Your free give of love, grace, mercy and salvation while there is still time to do so, in the name of the Son of God, Son of Man, Savior and Deliverer, Yeshua / Jesus, Amen.

The LORD God Almighty sent this dream to me, and He woke me up at 4:53 a.m. on Wednesday, April 20, 2011 with dream still in my mind.

This is the first dream.

My husband and I were sleeping in this room, and when we woke up found scorpions all around. Some scorpions were on the floor and on the curtains inside this room. The scorpions were extremely large. When we got out of the bed, some scorpions came on top of the bed. I looked down at one particular scorpion and discovered it was different and unusual from the other scorpions because it had a larger tail. My husband and I tried to remove the scorpions from the room or to kill the scorpions. My husband took a bag full of the scorpions to another room next to us, and to throw them outside through a window. While inside this other room, I saw a frog and ran to catch it as it hopped around. However, after I caught the frog I tried to throw it out the same window as my husband threw out the scorpions, but I missed the window and the frog hit the wall. When the frog hit the wall its body splattered into many pieces.

In this same dream, the state of South Dakota was spoken by my husband. My husband was talking on the telephone to his Dad telling him we were moving to South Dakota. Then I thought in my mind that South Dakota is close to Montana.

Then the dream ended.

### *Scourge coming to South Dakota*

This is the second dream.

My husband and I seemed to have been sitting inside a roller coaster style ride with many other people in seats behind us. This ride at a type of carnival or amusement park was unfamiliar to us, and we sat in the front seats. As the amusement park ride started it seemed harmless, but as we continued that perception changed. Later on this ride, a large amount of water rushed over us and nearly covered our heads; the water also covered the bodies of individuals sitting behind on the ride as well.

Then another part of this second dream, my husband and I were on a strange amusement park land game. It seemed like a trivia game similar to a scavenger hunt with words of testing to find the next item. One particular question/statement from this trivia scavenger hunt type of game was concerning the end of the world. This is all the LORD God Almighty will allow me to remember about this second dream.

From these dreams of the scorpions and frog and the trivia scavenger hunt game the LORD God Almighty is going to cause a humbling, horrific disaster to happen in South Dakota.
