

# Watchman on the Wall!

Written on Monday, March 4, 2013

By: piercegrace

Location: Florida

Two nights ago, March 2, 2013, I had a dream about an earthquake hitting the southern part of USA (Alabama, Florida, Georgia, Louisiana, Mississippi, South Carolina, and Tennessee,) and a tsunami coming to the southern portion of Florida the Bahamas and Cuba area. I had a second dream. In this dream, I was lying in the bed and a man was sitting in a chair near me in the bed and he had his head down inside of his hands. He had a distraught body posture and he was crying. I could not see his face, but I could see that he was a man with light-browed skin. In my dream, I was reaching for him and crying out for help, but he did not hear me and did not see me crying for help. The man in the chair continued to cry with his head positioned down inside his hands. Then yesterday, March 03, 2013, on the Yahoo! Newpage I saw a photograph of the man in my dream with his head pointing down inside his hands, just like I saw in my dream! The man in my dream was the brother of the man who fell into the sinkhole. Last evening on March 03, 2013, I saw on the television an interview the brother of the man fallen into the sinkhole.

The brother of the man who fell into the sinkhole said, *"I couldn't get him out. I tried so hard. I tried everything I could,"* he said through tears. *"I could swear I heard him calling out"* (NewsFox8, March 2, 2013. Retrieved from <http://myfox8.com/2013/03/02/family-waits-for-word-of-florida-man-swallowed-by-sinkhole>).

Jeremy Bush (brother of the man fallen into sinkhole) said, *"I heard a loud crash, like a car coming through the house,"* Jeremy Bush told CNN affiliate WFTS. *"I heard my brother screaming and I ran back there and tried going inside his room, but my old lady turned the light on and all I seen was this big hole, a real big hole, and all I saw was his mattress"* (FOX31Denver, March 1, 2013. Retrieved from <http://kdvr.com/2013/03/01/florida-sinkhole-causes-man-to-disappear-hes-now-feared-dead>).

The Spiritual lessons from the sinkhole incident in Florida and the dreams the Most High and Exalted One sent to me are telling us the warning message of a disaster of devastation of His judgment is coming to the earth. There will people crying out for help, but no one will be able to help them. People will be falling into a "sinkhole" of deception and sinfulness due to their continuance of defying and denying the Creator, King, and Master of the universe. Only the Most High and Exalted One, Yahweh, Adonai Elohim, El Shaddai, El Gibbor, El Elyon, Rock, Redeemer, Deliverer, and Sovereign over all will be able to save, protect, and defend His humble obedient clay vessel servants that are consecrated unto His words and to do His will and way. This is the year of repentance.

Holy Bible Scriptures are from Amplified Bible.

## **2 Samuel 1:27**

How have the mighty fallen, and the weapons of war perished!

## **2 Chronicles 29:9**

For, behold, our fathers have fallen by the sword, and our sons, our daughters, and our wives are in captivity for this.

## **Jeremiah 44:23**

Because you have burned incense [to idols] and because you have sinned against the Lord and have not obeyed the voice of the Lord or walked in His law and in His statutes and in His testimonies, therefore this evil has **fallen** upon you, as it is this day.

## **Psalms 7:14-16** (<http://www.biblegateway.com/passage/?search=Psalms+7&version=AMP>)

<sup>14</sup> Behold, [the wicked man] conceives iniquity and is pregnant with mischief and gives birth to lies.

<sup>15</sup> He made a pit and hollowed it out and has fallen into the hole which he made [before the trap was completed].

<sup>16</sup> His mischief shall fall back in return upon his own head, and his violence come down [with the loose dirt] upon his own scalp.
