

Wickedness Brings Wrath

Ezekiel 7

Yahweh will repay,

For your abominable ways.

The end has come,

Everything in uproar and undone.

Yahweh's wrath will complete His displeasure,

Committing wickedness, thinking you were clever.

Yahweh's eye will not pardon,

The Most High sees your evil acts in the garden.

Yahweh will not spare,

In your evilness, you did not care.

All will know that it is Yahweh who smites,

To ones who say that wrong is right.

No buyer rejoice nor seller mourn,

The earth being profane will be torn.

Because the rod has blossomed selfishness, ones being proud.

Yahweh's wrath is on the entire crowd.
