### ***Immoral Times in the Land***

*They are all adulterers, a band of rogues,*

*They bend their tongues like bows.*

*Bold in the land for treachery,*

*People are practicing wickedness, full of debauchery.*

*They advance evil to evil, and the LORD they do not heed,*

*Everyone cheating each other is their deed.*

*Beware of every person who is a friend,*

*Corrupt in his dealings, upon him do not depend.*

*Every brother and sister takes advantage, even in them do not trust,*

*Dwelling in the midst of deceit to justify their actions thinking it is just.*

*They have trained their tongues to speak falsely,*

*Their ungodly actions will become costly.*
