

Fate of beast and false prophet

Both the beast and false prophet was seized,
Performing signs caused many to worship the image and become deceived,
The mark of the beast was upon some people in which they received.
Beast and false prophet were thrown alive into the lake of fire,
Burning with brimstone the beast and false prophet no longer practiced any evil desire.
From the mouth of Him, the rest were killed with the sword,
And with all their flesh, the birds gorged.
