

Santa Claus? or Satan Cause?

God's Grace, Mercy, Peace and Protection be upon you,

My hope and prayer to the LORD God Almighty that we true believers and followers and Christ-like (Christians) truly become doers of the word of God, James 1:22, in the name of Jesus / Yeshua, the name above every name, Son of God, Son of Man, by the Holy Spirit, Amen.

This message is for ones who call themselves Christians and believers and followers of the LORD God Almighty and celebrates Christmas.

What is the true meaning of Christmas? Is Christmas in the Holy Bible? Do true believers and followers of the word of God and the Holy Bible celebrate Christmas? How did Santa Claus become the icon of Christmas? Has worshiping Santa Claus replaced worshiping the true God Almighty Jesus Christ / Yeshua Messiah? Is Santa Claus really a diabolical plan to deceive people to worship Satan Cause of not worshiping, not glorifying, and not praising the One Most High God Almighty, Creator of heavens, earth, seas, and universe? If Christmas is the time of love, forgiveness, and mercy we exhibit among family and friends, why not celebrate or practice these Christian principles every day and not only one day out of 12 months? During this time of the year do you feel a sense of warmth, peace, joy, love toward your fellow man or woman, or do you feel panic, stress, heartache, and frustration because you are compelled by this "Christmas spirit" to plan and purchase items you may not have money to do so or cannot afford?

With many churches on every corner, and sometimes next door to each other, with Christians proclaiming Christmas, should not the truth of God's word, His message of repentance of sins, remission of sins, regeneration to a new creation in Christ, His salvation, His love, His mercy, and His grace become the center focus of this day of celebrating Christmas?

Origin of Christmas:

Santa Claus has become an idol, not only for the children, but also for the adults.

Should "Santa Claus" really be called "Satan Cause?" Because Satan Cause is the reason for this season of commercialism, fighting over the last toy, blouse, shirt, or item because it is on sale. Is Satan Cause causing everyone who is looking to please his/her fleshly desires to worship material gifts of all shapes and sizes?

Just move the letters "t" and "a" and "n" in "Santa", and it will become the word "Satan". Satan the devil does the same, he will use a little of the truth of God's words and move them around to deceive unrepentant believers and unsaved transgressors of people to worship idols and also to worship Satan the devil without them even knowing it. Satan Cause will use the word "Christmas" with the name "Christ" in it, and cause people to think he/she is worshiping Jesus as Lord and Savior, but really the person is being pulled into a pit of sin and destruction by the lust of fleshly desires.

Jesus Christ, His mother Mary and earthly father Joseph were homeless and could not find room in the inn; they all had to sleep in a stable with animals. If anything, we should find this time to show the love and mercy of God Almighty to ones who are less fortunate than we are and bless them as God Almighty has blessed us.
