Dear Brothers and Sisters in the LORD:

As I was looking for a receipt for an item, the LORD GOD Adonai shown me a writing He gave me over a year ago, which came true on the Day of Judgment (when the stock market dropped 777 points).

This is the quote from Almighty LORD GOD that He gave to me on July 27, 2007:

"Thus said the LORD GOD, 'There is going to be an economic crash of the Wall Street "kingdom" like of the depression of 1929.'

God is going to show the USA and the world He is King of the Universe and LORD of all."

It is only the beginning of what the LORD GOD Adonai is going to do upon the earth for His glory, honor, praise through His Son Jesus Christ / Yeshua Messiah by the Holy Spirit.

When the LORD God Adonai begins to allow this and other horrific and humbling actions and events to begin next year in 2009, many people are going to be in fear and fret and will not know what to do. Because new and unusual events that are coming upon the earth by GOD's Hand, many will not know how to respond and react to them. Many will go to his/her pastor, reverend, or leader in the church, but will not get a satisfying answer or response because the LORD God is going to expose the false teachers and leaders in those churches.

To get ready and be prepared for what the LORD God Adonai is going to do upon the earth next year and coming years, we need to first Repent of all our sins against the LORD God in the name of Jesus Christ / Yeshua Messiah, turn away from our facade actions of Christianity thinking we are fooling some people in our places of worship, but not fooling the Almighty GOD who created the heavens, earth, seas, and the universe; next, we need to humbly ask the LORD God for His forgiveness of all our sins, know or unknown, and forgive anyone who hurt us, intentionally or unintentionally, and forgive all and any situations that have hurt us; next, DAILY read and meditate on the Word of GOD, the Holy Bible, asking the LORD God Adonai to give you wisdom to understand the Holy Bible and to live the Holy Bible by GOD's commandments, laws, and statutes; also reading and meditating on the Word of God the Holy Bible daily will help us to know how to please the LORD God Adonai and do and say what is right in His sight; next PRAY everyday to the LORD God Adonai in the name of Jesus Christ / Yeshua Messiah by the Holy Spirit to give you GODLY Discernment to know what is from Him and what is from the enemy, Satan the devil, Because Satan the devil deception and deceitfulness is also going to increase next year and beyond, and we as true believers and followers of Jesus Christ / Yeshua Messiah and doers of the Holy Bible God's Word need to be on our "Spiritual" toes in order not to fall into Satan the devil traps and temptations; next, develop a deep, genuine, contrite, honest, intimate, loving, servant, sincere, compassionate, determined RELATIONSHIP WITH THE LORD GOD ADONAI, and He is the only one who can and will save us.

In your Holy Bible, look up and read Holy Bible verses on "protection" or "protect", "provide", "trust", "guide", "refuge", and "save." Keep your mind on the LORD God Adonai; Do not keep caught up on what is happening on the television news, radio news, Internet news, or any other electronic devices such as IPOD, Blackberry, I-Phone, etc, which will cause a person to begin focusing on the world's problems and situations. Yes, we want to know about the news around us to see and hear what the LORD God is doing upon the earth, but we do not become so suck in the news that it causes us to lose focus on our LORD and Savior the Lord Jesus Christ / Yeshua Messiah and the Holy Spirit. If you have an automobile, while driving listen to Holy Bible verses on CDs. Pray and worship the LORD God Adonai in your automobile as you are driving on the highway, don't worry about the person in the car next to you looking at you, let him/her think you don't have it all there, because when we are praising, worshiping, and praying to the LORD God Adonai in the name of Jesus Christ / Yeshua Messiah through the Holy Spirit we are "not all there" because we are in the presence of the Almighty GOD. Our automobiles can become our "Sanctuary" on wheels as we focus our physical eyes and mind while driving on the road, but yet we have our Spiritual eyes and minds on the LORD GOD. ***Only Worship on Wheels in your Automobile Sanctuary on Wheels while driving on a very familiar route that you drive everyday, such as to work, market, or visiting family or friends. Because Satan the devil is always watching GOD's children he would like to get you off the straight and narrow road, spiritually and physically, to bring harm to you; so be watchful and mindful as you worship in your automobile.***

GOD Bless you,

I delight to do Your will, O my God; yes, Your law is within my heart. (Psalm 40:8)
