Surely G-d is our salvation

He will help us in this complication.

We will trust and not be afraid

L-rd You will get us out of this cave.

G-dly Strength, You will deliver us from distress

Encourage us through this test.

Although our soul is weary from sorrow

In the morning, look to Your joy tomorrow.

The L-rd is our Strength and our song,

Holy Spirit guide us not to do wrong.

Seeking Your face always to obey

Steady the knees that give way.

Strengthen our feeble hands

So that we may do and follow Your commands.

You told us not to fear and not to be dismayed

For the Messiah with His sacrificial life paid.

Rose from the grave Messiah sitting at the right hand of the Father,

Asking Him forgiveness of our sins is no bother.

He desires us to live in His coming Kingdom

Loving Him with all our heart is true freedom.

No matter what storm may come our way

With the help and hope of the L-rd all will be okay.

Finally, be strong in the L-rd and His mighty power,

Being ready when He comes for we do not know the day or hour.
