The LORD God Almighty through His Son Jesus / Yeshua by the Holy Spirit told me to get out earlier today to evangelize the Word of the LORD for the Wash and Clean Bible Fellowship. The LORD God Almighty is in control of every little and big thing of the universe, and little did I know the LORD was going to use me today for His glory, honor and praise.

The time was 9:00 a.m. as I was walking out to my automobile to start it on this cold day. Walking down three flights of stairs, I pray to the LORD for His protection and provision today and every day. Once I started the engine of the Hallelujah Honda, I sat still inside for a few minutes waiting for it to warm up. "Okay LORD, we are on our way", as the Hallelujah Honda, the LORD, Jesus/Yeshua, and the Holy Spirit all go down the road together.

Normally, for the Wash and Clean Bible Fellowship I would not leave my home until much later time, but the Holy Spirit of GOD Almighty was guiding me on this particular day at this particular time to leave earlier than usual. The LORD blessed me to arrive safely to the first Laundromat and told me to park in a different place I usually park. GOD has a reason for everything His obedient and humble servants do and don't do. Sitting in the automobile with the engine turned off, I pray to the LORD for His continuing leading and ask for Him to give me the words to speak and not speak, actions to perform and not perform, and thoughts to have and not to have so that every word, thought and deed will come from Him and His Holy Spirit through Jesus / Yeshua.

As I get out of the automobile and retrieve the Gospel Cart filled with taking-the-Gospel-to-the-nations items, the LORD God Almighty had a small table and two chairs waiting on me inside the Laundromat. Sitting on one of the chairs, about twenty minutes passed by when a woman walked into the Laundromat to do her laundering. I asked the LORD God Almighty and His Holy Spirit in my spirit did He want me to walk over to her to give her a Gospel Packet? The LORD God Almighty and His Holy Spirit told me, "No." I did not ask the LORD God Almighty why, and it is not for me or anyone to question His plans. Humble obedient clay vessel servants will hear the voice of the LORD God Almighty Jesus / Yeshua by the Holy Spirit when we are diligently seeking Him, hunger and thirst after His righteousness, and learn how to listen to do His will by daily reading His Word the Holy Bible and praying and talking with Him. Again, I waited in the chair about 20 minutes and a gentleman walked in to do the same of washing his laundry. Again, I asked the LORD God

Almighty and His Holy Spirit through Jesus Christ / Yeshua Ha-Mashiach, "Do you want me to speak with him?", and the LORD God Almighty told me, "Yes."

The time now was about 10:00 a.m., and I picked up a Gospel Packet of a newsletter and a Wash and Clean cd, walked over to the gentleman. He was loading his clothes in the top load washers, and asked me, "Are you a Jehovah Witness?" I responded to him, "No, I am a servant of the LORD", and he said, "Oh, you are a Christian." "Yes", I told him, "I am a Christian who is a servant of the LORD." He told me to wait a moment while he was loading his clothes and pouring laundry detergent into the washing machines. "Yes, I will wait, I used to come to this Laundromat when I was a single parent, and it has changed a lot since then", I said to him. After he finished loading detergent and clothes in the washing machines, we walked over to the table and two chairs the LORD God Almighty had provided for us to sit and talk.

As we begin speaking, I told him my husband and I moved from New York back to Georgia in 2008, and he said he just moved from New York to Georgia last year. So the LORD God Almighty gave me a common ground of us speaking more about Him; He knew the area in New York where my husband and I lived for three years. I told him I was an evangelist going to wherever and whenever the LORD God Almighty sends me to speak the Word of God and He has given me this ministry to take the Word of God to Laundromats. He told me he has been a truck driver for over 30 years and has met some Christian truck drivers over the CB, and when he can attends a home bible study with a husband and wife team.

With free Holy Bibles on the table, I gave him one to open and asked him to read a Scripture. He tells me, "I don't like the Old Testament because of the mean and horrible things in it." I tell him the Old Testament or Old Covenant has that information in it so we can come to know who GOD Almighty is, know His "personality", and what He likes and dislikes. I ask him to open the Holy Bible to the book of Psalms and read a verse from the Old Testament, however this Scripture tells of God's love and forgiveness. Next, I read from the New Testament or New Covenant of 1 Corinthians, and he says, "I like the Corinthians book." We talk more about the Holy Bible and the LORD God Almighty and His forgiveness. Then I ask him to read again from Psalms a verse about God's anger upon ones who sin against Him. Then the LORD God Almighty has me to say to him, "The LORD God will punish anyone who is disobedient to Him, ones who do not obey His laws, commandments, and statues." I explain to him just like an earthly father or parents with children, if the child does not obey his or her father or parents' rules the father or parent will punish the child for disobeying. He

shook his head yes in agreement and I read another Scripture from the Holy Bible about God's mercy and grace to ones who obeys and follows His commandments.

He got up to check on his laundry and walked back to the table and we continued the conversation about repentance toward God and what it means to repent and ask GOD forgiveness for all our sins. He told me as a former drug addict and alcoholic he was not ready to give his live completely over to the LORD God Almighty because he love smoking cigarettes. "I know if I completely give my life to the LORD He will tell me to give up these (holding a pack of cigarettes in his hand)." "Yes, just as the LORD God Almighty delivered you from the drugs and alcohol, He will give you the strength to overcome smoking cigarettes." He goes on to say, "The LORD delivered me from drugs and alcohol, and I know He will take the cigarettes away from me." However, by our conversation he did not want to give up this bondage because he loved it too much. I said to him, "One day soon the LORD God Almighty is going to ask you to give yourself completely and totally to Him, and you will either say Yes or No to him the choice will be yours." He agreed with my statement, and I thanked him for being honest to share his feelings with me about the cigarettes, and we continued reading and speaking about the Word of God and the LORD.

Finally as I was leaving I told him I am on my way to another Laundromat to spread and speak the Word of the LORD God Almighty, I gave him the Holy Bible, newsletter and cd and I was on the road again for the LORD.

The next Laundromat the LORD God Almighty had me to do something totally different from the first one. As the LORD God Almighty Jesus / Yeshua by the Holy Spirit tells me where to park I sat in the automobile again praying for the anointing of His Hands and Spirit to guide and lead me. The Holy Spirit tells me in my spirit to take in several newsletters and cds and give them away free to all who would like them. Walking inside the Laundromat the Holy Spirit and angels of the LORD God Almighty was guiding my feet to the people to say, "I would like to give you a free cd and Christian newsletter, God Bless you." Those are the only words the LORD God Almighty told me to say to each person I encounter. I saw one woman reading her Holy Bible, and I said to her, "Thank God you are reading the Holy Bible, I am glad to see you reading it!" She asked me of what church I am a member and I told her none, and that I am an evangelist for the LORD God Almighty. I told her I attend a synagogue where my Jewish and non-Jewish brothers and sisters meet just like the first century Christians who believed Jesus / Yeshua was the Messiah.

I continued walking around the Laundromat as the Holy Spirit direct my steps to individuals and then I heard this sound as someone saying, "Miss! Miss!" and I turned around to see if the person was talking to me and it was the woman who I saw reading her Holy Bible. "It is not much, but a donation, God Bless

you”, and she took my hand and place something in it. I did not look at it immediately because the Holy Spirit told me not to do so, and I was still evangelizing in the Laundromat and whatever it was I took it as a blessing from the LORD God Almighty. I thanked the owner of the Laundromat for allowing me to give away free Gospel Packets and Gospel information. I walked back to my automobile and there in the privacy of God and me alone I looked inside my hand and found it was a donation to the ministry of Butterfly Journey Ministries. “Thank You LORD God Almighty for giving me this donation to further the Kingdom work here on earth as Your servant.” No matter the amount of donation the LORD God Almighty gives to the ministry it will be used for His glory, honor and praise.
